Dear Parent,

Greetings!

May God's grace and peace continue to abound to you now and always.

We are happy to inform you that our teachers and students are putting in commendable efforts for high academic performance. Lessons and preparation of BECE, JAMB, WAEC and NECO are also ongoing. We are happy with the progress thus far.

The SS3 students had a successful Photography and Painting & Decoration exhibition. It was remarkable and impressive to see such beautiful pieces of Art, photography and painting work on display.

We appreciate our parents for cooperating with the school in our effort in keeping up with Covid-19 guidelines and protocols; all contributions, donations and services rendered are hereby acknowledged.
