

12th October 2020

Dear Esteemed Parent/Guardian,

WELCOME TO AIC 2020/2021 SESSION!

On behalf of our entire staff, I would like to welcome our new students. It is with great honor and much enthusiasm that I write this letter to you welcoming you to the 2020/2021 school year. Much planning, construction and hard work has gone into preparing for a successful school year.

Despite the global challenges the world has had to face with COVID-19 pandemic, we are glad that God has kept us so we welcome you and look forward to meeting new faces! We are very excited to work together with you to make this a fulfilling new school year.

All teachers and support staff have spent hours preparing materials, creating child-centered classrooms, and reviewing our practices to ensure that our new normal is in line with the COVID-19 Guidelines for Schools. Our rooms and hostels are ready; we hope you will attest to that.

We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that in order to be successful in school, our children need support from both the home and school. We know a strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities.

We value face-to-face interactions the most at AIC. Please know that we have an open door policy, and welcome any opportunity to meet with you. We are looking forward to our collaboration in providing a safe and nurturing environment as well as a challenging and diverse curriculum in this new school year.

Please be reminded that the Parents Student Handbook must be signed and returned to the Parents Relations Office. If you have any questions about the rules and expectations, please feel free to contact the Parents Relations Office. It is very important that you and your child are fully informed regarding standards related to appropriate behavior for a safe and productive school year.

Please, also ensure that you regularly check the school portal and the website for notices and updates.

We look forward to a rewarding school Year.

Thank you

Abaga Lydia (Mrs.)
