2ND TERM NEWSLETTER (2021/2022 SESSION)

A TWIST AT EASTER!

The Easter season offers us a beautiful twist in the affairs of God and man! Just imagine the gloom that comes with having a heroic leader accused, arrested and crucified. This means dashed hopes, aspirations and dreams. Then came a twist! I love the sudden twist; the resurrection! "He is not here; He is risen, just as He said!" (Matthew 28:6). I pray for a twist for all our parents and staff during this season in the name of Jesus! Whatever our challenges are, may they bow and may there be a resurrection of hope and trust, a reawakening of faith and a manifestation of miracles through the resurrection power. May we appropriate the resurrection power in anticipation of a great reward.

We are aware that our adorables in JS3 and SS3 are in the season where they are needing the extra push and encouragement to go for the prize. We look forward to them not only doing well academically but going forth to impact the world. Please continue to pray with us and for us to mount up with wings like the eagles as we enter the 3rd term of the session.

I send heartfelt Easter greetings to all our parents for going the extra mile to do the things you do for our adorables. May the work of our hands continue to receive God's favour, may we have the joy and reward that comes with a commitment to a great future for our children.

Happy Easter family!
